

Flamingo Flocking Ransom Note

Surprise, You've Been Flocked!

A fundraiser is being conducted by the *Haven of Portage County flocking team* and this Flock of Pink Flamingos has gathered in your office to roost. In case you did not know this, Inflatable Pink Flamingos are very territorial, and unless they are placed in someone else's office, they will roost in your office for a very long time. Removal of this Flock of Inflatable Pink Flamingos should be attempted only by trained professionals. Fortunately, our Removal Technicians are highly skilled.

Please check the options below that apply and we will send a team out to remove these pesky, but very loveable, pink birds:

I appreciate the flocking but am not able to donate funds at this time.

I would like to make a generous donation of **\$100.00** toward the removal of the Pink Flamingos.

I would like to add an *additional* donation of **\$10.00** to name the following person as the next surprise flocking victim.

Name & Department I choose as next flocking victim: _____

I would also like to donate an extra **\$5.00** as *anti-flocking insurance* to ensure against any future *Surprise Pink Flamingo Flocking* by the *Haven of Portage County flocking team*.

Our group is working hard to raise funds for our homeless shelter. We understand that times are tough and that you may not be able to donate at this time, but we hope that you've enjoyed this surprise flocking and appreciate the spirit and good will with which it was intended.

Please call the individual below to arrange to have your Flock removed:
